BLEND PR

Blend PR is a boutique PR and marketing communication agency.

We design microbrands.

We promote valuable brands, products, events, and exceptional people. We mostly work with SMEs businesses and big companies with a small or no marketing department. We want to prove that non-corporate brands can be influential and beautiful.

"We would like to say 'thank you' for the big support while implementing our project – for the professional approach, consulting, creativity, huge involvement, and patience at every stage of the project. Blend PR demonstrates a vast knowledge of marketing communication and brand creation."

"The agency reacts to the needs of the young generation of entrepreneurs. It's open to innovative ways of communication. Blend PR is characterized by excellent know-how on marketing, psychology, and new ways of communication, being at the same time very attentive to the individual needs of the Client."

"We value Blend PR for the autonomy and decision making. We get materials that don't require significant changes. The agency in real terms reduces the work load of our team when it comes to the brand image and the board members are engaged in the project only when it's necessary."
